This small functional apartment is housed on a beautiful location in the center of the city. Next to the building is the famous bohemian area named Skadarlija. Green market Bajloni is situated a hundred meters from the building, and in a five minute walk one can get to the Square of the Republic. The apartment is placed in an old building on the last, seventh floor while elevator goes up to the sixth. It is a renovated loft with slanted ceilings up to one meter. It consists of an entrance hallway, which is divided into two parts by a central wall. In one of them there is a kitchen, and the other is a passage. Comfortable room has skylights and is very bright. The apartment has another smaller room about 1.3 m wide equipped with a medium sized bed. The bathroom is nicely renovated, in vivid colors, equipped with a shower cabin. The apartment is renovated, it has roof velux windows and a new kitchen. Furnished with nicely incorporated, new pieces of furniture. Very bright and cozy space, peaceful and quiet even though located in the city center.
