Excellent business premises located in an industrial zone in Rakovica. Space is placed in an administrative building, with a large storage/warehouse space within it, while on the plot itself, there is a couple of companies. Office space is situated on the first floor, of three in total, while it is secured with 24/7 security service. Very modern premises, with open space which can be divided, depending on client's needs, into two separate offices. There are three restrooms at disposal, a kitchen, as well as a server room. Six to eight parking spaces are available for the lessee.
