This small two bedroom apartment is situated in a quiet street in the city center, near the National Assembly, at a few minute walking distance from the Republic Square. It is excellently connected to other parts of the city, through public transportation. The apartment is housed on the first floor of an old, pre-war building with video intercom and an elevator. The apartment is fully renovated and equipped with new modern furniture. There is a living room with corner fold out sofa. Dining area is for four persons and it is partially separated. The kitchen is placed between apartment entrance and bathroom. Equipped with a new built-in technique devices. The bathroom has a shower cabin, while bedroom has double bed and a large wardrobe. On the floor is parquet, while bathroom and kitchen are tiled. Heating is electric, and there's inverter air conditioner with a modern control system via the Internet.
