Residential house in an attractive part of Dedinje, with a yard of about 10 acres. House is situated in a quiet street, with a park on the one side and close to the public transportation stop. This location is well connected to the city center. Vicinity of Partizan and Zvezda stadiums and a couple of international schools at only ten minute walking distance from the house. It comprises of three levels, two of which are residential, with utility rooms in the basement. First level consists of an entrance hallway, leading into a spacious living room, abundant with light, with interesting plasterwork on the ceilings. From there one can access a kitchen, equipped with necessary elements and appliances, with an exit to a terrace. There is also a smaller bathroom on this level equipped with a shower cabin. Second level consists of four bedrooms, one of which has an exit to a terrace facing toward the street. This level has a bathroom with a bathtub. Basement level of the house consists of utility rooms, a boiler room, with electricity and gas boilers and a smaller restroom. House shares a yard with a garage and a summer house, consisting of a living room and a smaller kitchen. House has an intercom, internet connection, enough space in the yard to park a couple of vehicles. It is surrounded with greenery, which provides a certain level of privacy and comfort as well. By it's structure it is suitable for an office space, as well as for residential purposes.
