An attractive apartment with all necessary elements for comfortable life in the very city center close to Strahinjica bana street and Kalemegdan fortress. This location is ideal for people who like dynamic city life. The apartment is housed on the fourth floor of very well maintained building with an elevator. It is completely renovated, two-side oriented and with functional layout. Living room is furnished with new and modern pieces of furniture and it is turned towards the street. Bedroom has king size bed, closet and has exit to a long terrace overlooking the yard. Kitchen is fully equipped with all elements, appliances and cupboards, with little pantry, and exit to a terrace overlooking the yard of the building as well. It contains a space where is one small dining table for three persons. Bathroom is renovated with shower cabin and washing machine. The apartment is equipped with internet connection, intercom and new carpentry. Ideal for a single person or a couple.
