Excellent high ceiling apartment located in the heart of the city, in immediate vicinity of Kalemegdan park. A very desirable position for anyone who wants to be in the city's urban area. The apartment is housed on the fourth floor of an excellently maintained, magnificent pre-war building with an elevator. The entrance hallway leads to the salon from which all rooms are accessed. The apartment consists of three spacious, connected rooms, each of them has a separate entrance, a bathroom with a bathtub, a toilet, a kitchen with no kitchen elements, a pantry, a smaller utility room and a terrace. The apartment has a functional structure, it is two-side oriented and abundant with natural light. It is suitable both for residential and quiet business activities.
