Attractive, modernly equipped apartment, housed on the high ground floor of a smaller apartment building, with only seven apartments in it. Quiet street, in near vicinity of Ada, with an easy access to Bridge over Ada, highway and the city center. Location close to residential zone of Senjak, with a couple of international schools. The apartment has been fully renovated. It consists of a living room with dining area, two bedrooms, one study room, two bathrooms, a fully equipped kitchen and a smaller pantry. It has an exit to a terrace. Fully equipped with new, modern furniture, which gives high level of comfort, while the terrace, which occupies 15 m² overlooks the greenery. Pleasant apartment with air-conditioning, video surveillance and an alarm system. Suitable for couples or smaller families.
