Interesting apartment, located in wider city center, within a few minute walking distance from Takovska street. Location easily reachable from different parts of the city, with several public transport lines in immediate vicinity. The apartment is housed in a smaller building located in a yard between higher apartment buildings. At the entrance there is a staircase leading to the living room with small dining table and a kitchen. From there one can access two rooms with a bed and a desk. Wooden staircase leads to a gallery with one more room with a bed and a desk. Gallery also has an open space with a place for rest overlooking the living room downstairs. The apartment is suitable for students.
