Excellent apartment placed in a quiet street in Vracar, housed in a newer building with an elevator. St. Sava Temple and National library are located at only five minute walking distance, while numerous stores, cafes and restaurants are in near vicinity. Well known Kalenic green market is within 10 minute walking distance, while highway inclusion and Slavija Square are within five minute driving distance. The apartment is housed on the third floor and has two side orientation. It is functionally divided into living and sleeping blocks. Living area consists of an entrance hallway with guest restroom, leading into the kitchen, followed by dining area on the one side and living room area on the other. This area exits to a terrace equipped with a sitting set. Sleeping block consists of two bedrooms, one of which has it's own bathroom with a bathtub and exits a terrace. Interior enriched with interesting decorating details, such as brick walls, halogen lighting and wooden ceiling beams. Furnished with new, high quality furniture, enriched with a lot of attractive details. Pleasant pastel color shades are well incorporated into the interior, making a modern whole. There is a garage in building's basement, with one space available for the lessee. The apartment is suitable for one person, a couple or a smaller family.
