Very good space in new business building. It is located close to city center, with separate entrance. Main traffic lines are easily reachable what makes communication with all parts of Belgrade quick. The office space is comfortable, nicely maintained, with functional layout. It consists of two levels, ground floor which occupies 174 m<sup>2</sup> and basement level of around 40 m<sup>2</sup>. Offices are different sizes, but their layout and number could vary, according the clients needs. At this moment there are nine offices at disposal. Interior is high quality with halogen lights, alarm nad smoke detector.
