Excellent apartment, placed within Oaza building complex, in near vicinity of Vukov spomenik, in Zvezdara area. Located between four quiet streets, within five minute walking distance from Djeram green market and ten minute from Kalenic green market. Complex even has it's own supermarket. It has four entrances and a nicely maintained yard with a fountain. Entrances are mutually connected by a hallway, which is separated from the yard by a glass wall. The apartment is housed in the ground floor and it is overlooking the street. It consists of a living room, which is partially separated from the kitchen by a bar. There is one bedroom at disposal, a bathroom with hydro-massage bathtub and a laundry room. Fully furnished with modern furniture in light, pastel color shades. Apartment ideal for one person or a couple, who appreciate quality life on a convenient location. Within this building complex there is 24/7 security service.
