Attractive apartment placed in Dorcol area, within ten minute walking distance from the Republic square and Bajloni green market, as well as from Botanical garden. New building with an elevator and a garage in it's underground level, with one parking spot available for the tenant. The apartment is housed on the fourth floor, facing toward east side, abundant with daylight, has an excellent view toward Danube river. It consists of a long entrance hallway, equipped with built in closets, leading into the living room on the one side and sleeping block on the other. Living room connected to dining area and a kitchen, exits to a terrace facing toward the street and the river. Sleeping block consists of three bedrooms, each equipped with a double bed. The apartment has a bathroom with a shower cabin and a restroom. Interior is furnished with high quality furnishings and appliances, with a lot of interesting details. It is fully equipped, with all the necessary elements, while bright, white color dominates throughout the interior, making it fresh and pleasant. Suitable for businessman, searching for a modern space close to the city center.
