This business premise is situated within business building, on the top of the Banovo brdo, close to Republic Hydrometeorological service of Serbia. Location is very quiet, with plenty of greenery, and pleasant for work in it. Suitable for business activities with no frequent client visits, due to distance to public transport stations. On the other hand, this location is easily reachable by a vehicle and nicely connected with Senjak, Dedinje, Ada bridge or city center. The space consists of two offices, one of which occupies 66 m², and the other 67 m² which are positioned next to each other, on the first floor of the building. The office is equipped with laminate, air-conditioner unit, and large window surfaces which provide plenty of natural light. Men's room, ladies' rooms, and fully equipped kitchen are at disposal on the upper floor as well. This areas are shared by all employees in the building. The price includes all costs, except the amounts for telephone and internet bills.
