Excellent apartment housed on the high ground floor of an older building, located in a busy street in the very center of the city. Building's entrance is well maintained, representative, decorated with interesting tiles and ornaments. Very busy city zone, within only a few minute walking distance from the Republic square, as well as the National assembly. The apartment has been fully renovated, including installations, carpentry, floors and renewed inner carpentry. It consists of three rooms of different sizes, which are mutually interconnected, but could also be completely separated. There is a kitchenette at disposal, a restroom and a spacious bathroom with a bathtub. The apartment is suitable for an office space.
