An excellent apartment on nice Vozdovac location. The building is placed at the beginning of the one way street relatively close to Autokomanda roundabout, with small frequency of traffic. The apartment is housed on the last floor of a newer building with an elevator. It occupies two levels. First level consists of spacious living room connected with dining room and nice kitchen. Guest toilet is part of this level as well. Upper level has master bedroom whose bathroom is with shower cabin, guest room with an exit to a large, beautiful terrace, third room which is used as walk-in wardrobe, and bathroom with jacuzzi bathtub. The apartment is tastefully, attractively decorated and furnished in extremely interesting manner. Beautiful, comfortable, large, modern apartment suitable for a couple or a family.
