Excellent office space, situated within a new house located in a quiet street in Zemun, Kalvarija settlement. House has a smaller yard, with one parking space. Available offices occupy two levels, with plenty of open space. There is a kitchen and a toilet at disposal. Technically fully equipped for purposes of IT companies. It has category 7 network, security alarm installations, projectors. Network is available for over 20 working positions. Space could be divided with glass panels. Upper level has slightly slanted ceilings, which do not disturb useful surface. Suitable for different business activities.
