Excellent office space in older, well maintained building, close to Tasmajdan park. Perfect location and busy street, at only 50 m from boulevard. This is commercial zone of town which is rich with different amenities necessary for everyday work. Republic square is at only ten minutes walking distance and different public transport lines goes through this zone, enabling easy connection to other parts of town. Premise has independent entrance and it is housed on first level. Very bright and two sides oriented. It's structure has central hallway which leads to all other offices, six of them. Structure can be re-arranged and some offices can be joined. There is also two restrooms, kitchenette and three terraces. Computer network is installed. All offices are spacious, new parquet floors are placed, carpentry is in good condition. Excellent choice for doing different kind of business activities.
