Luxurious apartment housed in a new building with only three apartments. Residential area, without traffic jams and noise; a quiet and peaceful neighborhood with several international schools nearby. Easy access to the highway, downtown and New Belgrade. The building has video surveillance, maintained yards and garage space. The apartment occupies the whole floor. It has four large bedrooms, two bathrooms and a huge living room with a dining area, which is complemented by a large terrace. Kitchen and a toilet are also at disposal. All bedrooms are comfortable and have enough space for double beds and built-in closets. Living room occupies about 80 m² , and it is abundant with daylight. The kitchen is separate, equipped with necessary appliances. In the construction of the interior of the apartment, as well as the building itself, top-class materials were used, which is visible at every step. The access road is made of pressed concrete, with a remote control gate made of wrought iron. This attractive property is an excellent address for both life and business activities. Along with the apartment there are two parking spaces in the garage and the same in front of the building, as well as one big pantry which occupies 10m². This property is subordinate to the modern concept of living.
