Very good apartment in relatively new, small building in Zemun area. Two lines of public transport pass through the street and in near vicinity is Cara Dušana street with large frequency of traffic. The space is at only five minutes driving distance from center of Zemun. The apartment has functional layout. The anteroom is centrally positioned and leads to every room. From living room one can enter to fully equipped kitchen and dining room. Anteroom also leads to bathroom and two bedrooms. Bedroom floors are covered with laminate, while floors in kitchen and bathroom are covered with tiles. The apartment is completely renovated with high quality materials. Suitable both for office activity or comfortable family life.
