An apartment is placed in quiet Zemun's settlement Kalvarija. Location is excellently connected with city center while the center of Zemun is relatively close as well. The apartment is housed on the third, last floor of new building without an elevator. Anteroom leads to every room in the apartment. Living room, the largest space in the apartment is interconnected with kitchen and dining room. Two bedrooms are at disposal, one of which is furnished with king size bed and the other with single bed. Bathroom is spacious, with shower cabin. The apartment is furnished in modern manner with taste. Good insulation of the building provided economical heating during the winter period, so the bills are coordinated with consumption. Ceiling slopes in some parts of the apartment disturb the functionality, but it is compensated with harmonic interior design, so height of the ceiling is between 2.4m and 2.7m. In front of the building parking space is reserved for future tenants.
