Excellent, pre war building in one of the Belgrade streets with the most frequency of traffic. Several diplomatic branches, public institutions and largest health institution - Clinical center of Serbia are in the near vicinity. The apartment is housed on the high ground floor of the building with characteristic high ceilings. It has two entrances, four offices, three of which are mutually connected with doors while the fourth one is placed in the other part of the apartment. Two bathrooms and fully equipped kitchen with pantry are at disposal as well. The apartment is equipped with three air-condition units, and central heating witch uses electrical power. Suitable for business activities.
