An excellent apartment in relatively new building close to St Sava temple. It is housed on the fourth floor with two-side orientation. Attractive, contemporary concept is organized in mutually interconnected living room, dining room and kitchen which is turned towards the street. Kitchen is equipped with high quality appliances and next to it is a little pantry. The apartment has three bedrooms and two bathrooms with shower cabins. Master bedroom is furnished with king size bed and has bathroom of its own. Other bedroom has a single bed and large closet while third room will be furnished according clients wishes. Interior is equipped in modern, minimalistic manner, with parquet and ceramic of excellent quality and design, and plaster ceilings with embedded halogen lights. Pleasant and comfortable ambience is suitable for life of modern people. In the ground floor there is one parking space reserved for larger vehicle.
