Very good apartment on desirable location, in the very city center. It is housed on the fifth floor of older building with a beautiful view on the city. The apartment is completely renovated, modern and attractively decorated. Smaller surface doesn't disturb the excellent layout functionality. Two bedrooms, interconnected living room, dining room and kitchen are at disposal as well as long terrace. Bathroom is new, modern with shower cabin. This bright, cosy and comfortable apartment is bright and suitable for people.
