Good, functional apartment, located in a quiet street in Vracar near the Temple of St. Sava. Quiet part of the city with commercial facilities nearby - many shops, restaurants and cafes. It only takes five minutes to reach the motorway, and only 5-10 minutes to walk to the busy streets, through which public transport lines pass. The apartment is two side oriented, located on the second floor of an older and maintained building. It features an entrance hallway from which other rooms are accessible, there are four air-conditioned offices, a toilet with a shower cabin and an equipped kitchen. The space is functional, bright and suitable for various business activities.
