A business premise placed in the very city center. Busy location close to pedestrian zone and it is part of business zone of the old town. Easily reachable by public transport and a car. The only possibility for parking in this part is in neighbour public garages. The space is housed on the fourth floor of a business building with two elevators. The structure is functional with central hallway which leads to every office. It consists of four offices and on the same floor there are toilets which are at disposal to all lessees.
