An excellent apartment with characteristic high ceilings. Quiet street with trees close to National assembly, Politika building and RTS building. The apartment is housed on the second floor of building with renovated facade, maintained entrance and new elevator. Entrance area is spacious and open toward the kitchen and dining room. From this part one can enter to two rooms as well as bathroom and a terrace. Interior is air-conditioned, completely renovated with refreshed carpentry and parquet. Suitable both for comfortable life or business activities.
