Attractive apartment located in the very heart of the city, in pedestrian zone of Knez Mihailova street, between Kalemegdan fortress and Terazije Square. In immediate vicinity there are many well known shops, as well as cafes and restaurants. Pre-war, excellently maintained building with an elevator leading to fourth floor. The apartment is housed on fifth floor and occupies an adapted loft. It consists of an entrance hallway leading into an open space consisting of a living room with dining area and an open kitchen. From there one can access a toilet, as well as a bedroom with an en-suite bathroom with a shower cabin. Loft is fully renovated and decorated using high quality imported materials (ceramics, sanitary ware, parquet, lighting, carpentry..) Equipped with excellent furniture, has high ceilings and wood beams supporting it, which contributes to airiness of the interior. Additional light enters through the rooftop windows in rooms, while night experience is enriched with reflectors and ambient lamps.

Very modern, pleasant apartment suitable for contemporary people.
