An apartment close to New Belgrade Arena and second loop on the highway. It is housed on the ground floor of relatively new building with an elevator. Large entrance hallway leads to open, partially equipped kitchen as well as bathroom, and large room. The apartment has nice terrace/yard of 25 m² with a small gate which leads to a park next to the building. Bathroom has been recently renovated, while the whole apartment is painted and it is decorated with stone wall and halogen lighting on plaster ceilings. The position of the apartment, its layout, two entrances and large terrace make this place very attractive.
