A nice apartment, ready for living in it, is situated in boulevard with large frequency of traffic, close to Autokomanda roundabout and Frans restaurant. It is housed on the high ground floor of well maintained older building. Entrance hallway leads to every room. One small living room, two comfortable bedrooms with king size beds and separate, fully equipped kitchen are at disposal. Bathroom with shower cabin and separate toilet are part of the apartment as well. The interior is renovated, furnished in modern manner with classical elements. It is equipped with pvc windows and air-condition unit. Ideal for younger people or a family with a child.
