An excellent apartment situated in quiet part of Banovo brdo. It is positioned in relatively new building of attractive design close to Faculty of Forestry. Very nice and peaceful location near forest, and Pozeska street with all necessary content for comfortable life of a family. Green market is at walking distance, as well as well known international school Milos Crnjanski. The apartment is housed on the third floor of a building with an elevator. Living room is at disposal as well as partially separate kitchen. Round, glassed-in terrace offer variety of possibilities to use this space. Bedroom is with king size bed, while bathroom has shower cabin. The apartment is semi furnished, but it could be additionally adjusted to clients needs. Suitable for a single person or a couple.
