This exclusive apartment is housed within the most modern building complex in Belgrade, called Belgrade waterfront. The project is managed according to highest architectural standards. The apartment is placed in one of the towers surrounded by greenery and parks. It is housed on the 14th floor, with stunning view of the city. It consists of a beautiful living room, which occupies around 25 m² including the dining area and a kitchen. This room exits to a spacious terrace. Sleeping block is separated and consists of three bedrooms. One of the bedrooms has an en-suite bathroom and a walk-in wardrobe, and also exits to a terrace. Second bathroom is shared between the other two rooms and has a shower cabin. The apartment has a toilet placed within the entrance area. Equipment in the apartment includes kitchen elements, closets and sanitary ware. Ceiling height is above the standard, while large window surfaces allow abundance of natural light and provide an exceptional view. The apartments have central air conditioning and heating per consumption. Within the complex there are garages with two spaces at disposal, as well as sports facilities, such as swimming pool and gym. On the ground floor of the building there is a lobby, with the reception desk. The complex is designed so that customer care is raised to the highest level, and the receptionists are at the service for a large number of services, or assistance. This prestigious complex is intended for clients, who have a culture of housing in the first place.
