An excellent apartment housed on the second floor of relatively new building in Vracar area, close to St Sava temple. A quiet part of the city with plenty of new buildings and excellent content in the neighbourhood - numerous stores, restaurants, coffee shops and Kalenic green market. Inclusion to the highway in at only five minutes driving distance, while streets with public transport and stations are at five to ten minutes walking distance. Attractive, modern concept of the apartment is organized as open area which contains living room, dining room and fully equipped kitchen with a counter. The other part of the apartment is private area, consists of two bedrooms, study room, bathroom with jacuzzi bathtub, and toilet. Living room leads to a nice terrace. The apartment is furnished in modern manner, has an air-condition unit and a garage space on the level -1. Suitable for family.
