Pre-war building located in the heart of the city, in the pedestrian zone. Exquisite location, with abundance of retail shops of famous brands, as well as cafes and restaurants. Very high frequency of pedestrians. The building extends on five levels. The last floor occupies 141 m² and it is organized as open space with slanted ceilings. When needed this premise could be designed according to clients needs - interior and structure. Additional space could be rented on the other floors (first floor 405 m², and 141 m² on the second floor). Suitable for all kind of activities and fro business that require down town location.
