Attractive apartment is placed close to shopping mall Zira in Zvezdara area close to busy traffic lines which connect this location to the rest of the city. In the near vicinity there are several stations of public transport and variety of commercial and service content. The apartment is housed on the second floor of a new building with well maintained entrance and an elevator. It consists of long entrance hallway which connects all rooms of the apartment. Spacious living room is abundant with natural light with an exit to a large terrace. Also is interconnected with dining area and kitchen. Kitchen is equipped with all necessary high quality elements and appliances. The sleeping area consists of two bedrooms and bathroom with a shower cabin, as well as pantry with washing machine. Nice, interesting lighting and large mirror in the hallway contribute to comfortable ambience and impression of larger space. One garage space is reserved for future tenant. Suitable for a single person or a couple.
