A modern business building situated in business zone of New Belgrade. The building structure is modern as well, with premises organized as large open spaces. Those open spaces could be divided into smaller sections by plaster-cardboard and glass walls according to clients wishes. The building has all necessary infrastructure and equipment: heating and cooling system - fan coil, inserting of air through floor, all necessary fire alarms and fire protection systems. Windows on the building could be opened. This representative building with distinguish facade has excellent layout of business units.
