Attractive apartment, located within an exclusive location, in a modern building complex Belgrade Waterfront. Complex is still under construction, while the project is managed according to highest architectural standards. The apartment is placed in one of the towers surrounded by greenery and parks. It is housed on the second floor overlooking the entire city. It consists of entrance hallway, a living room interconnected with dining area and a kitchen. Also this area has an exit to a terrace. In the other part of the apartment there are small hallway with a pantry for washing machine, bathroom with a bathtub, and a bedroom with a wardrobe occupying 5m². The apartments have central air conditioning and heating per consumption. Within the complex there are garages, as well as sports facilities, such as swimming pool and gym. On the ground floor of the building there is a lobby, with the reception desk. The complex is designed so that customer care is raised to the highest level, and the receptionists are at the service for a large number of services, or assistance. This prestigious complex is intended for clients, with high standards of modern life.
