Apartment housed within Park apartmani building complex, in business and residential zone of New Belgrade. Excellent traffic connection to different parts of the city, as well as highway inclusion and airport. This modern complex is built of high quality materials, has a 24/7 security service, video surveillance and garage space in underground level. Whole complex is fenced and could be used by the tenants only. The apartment is housed on the sixth floor and the building has two elevators. It consists of an entrance hallway, a comfortable living room, connected to dining area and a fully equipped kitchen. From here one can exit to a beautiful terrace overlooking the inside of the complex. One bedroom equipped with a double bed is at disposal, as well as a bathroom with a bathtub. Furnishings will be provided or replaced according to client's needs. Ideal for a couple.
