An excellent, self standing warehouse highly convenient for goods manipulation and parking large number of vehicles in front of it. Warehouse is situated 1 km from Novi sad highway, 6 km from Šid highway, and over the Borča bridge one can easy reach Pančevo, Zrenjanin, Vršac and towards to Romania. Tow trucks and delivery trucks can easily approach the warehouse entrances. The storage space occupies 910 m² and has a ceiling height between 6 and 7 meters what enables shelf storage. Dimension of the base are 30.15 m x 30.15 m. Warehouse has two large entrances with rolo doors 4x4 m large, while pedestrians have two separate entrances. There are two water hydrants within the space while led reflectors are used for illumination. The floor in the warehouse is covered with excellent concrete. Suitable for storage of variety of goods.
