A comfortable apartment close to St. Sava temple and Slavija roundabout. Quiet street, isolated from city noise. The building has a parking of its own placed in the inner yard. The apartment is housed on the second floor and it is two-side oriented. It consists of centrally positioned hallway, living room, separate kitchen, bathroom with shower, toilet, and bedroom. Bedroom is furnished with king size bed and closets. The whole interior is true mixture of styles and colors, incorporated in cosy ambience. Also details such as lamps, plastre decor on the walls or paintings, enrich the atmosphere. Nice position make apartment suitable for couples or business people.
