A semi detached house in nice, quiet part of Suncana padina (Sunny slope). It spreads over four levels. Lower ground floor consists of one room with direct exit to a yard, kitchen, bathroom and garage which is used as pantry. High ground floor has one large bedroom, one small room and bathroom with shower cabin. First floor and attic have the same structure: two bedrooms - large and small, kitchen and bathroom. Attic ceiling is slightly slanted. House is placed on the flat nice plot that occupies around 2 acres, which is mainly behind the house. In front of the house is small yard where one vehicle could be parked on the covered parking space. It is necessary to renovate the house for functional use. Suitable for family life or business activities.
