A house on the mutual plot in quiet street in the center of Batajnica. In front of the house a plateau, suitable for parking five vehicles, is at disposal as well as garage in the basement level for two vehicles. This large house spreads over two residential levels. Large open space is placed on the ground floor. This space is currently used as a storage, but there is a possibility of dividing this space into smaller sections. Upper floor consists of a living room with dining room, separate kitchen, one bedroom and bathroom. Circular staircase leads to gallery which across a bridge, over the living room, leads to private area which contains two bedrooms and a bathroom. Bright, attractive interior, convenient both for comfortable life or variety of business activities.
