Attractive apartment, located in a quiet street at Senjak, in near vicinity of a green market, a large supermarket, a cafe and similar commercial content. Quiet neighborhood, with plenty of greenery and easy access to New Belgrade, city center and highway. The apartment is housed on the second floor of a new, smaller building, with only four apartments and it's garage space in the underground level. Entrance area of this duplex leads into the living room connected to dining area and a kitchen, which share one open space. From here one can exit to a terrace. On this level there is also a bathroom with a bathtub. Nice wooden staircase with glass railing leads to the upper floor with two bedrooms and a bathroom. Both rooms have slanted ceiling which doesn't disturb the functionality of space. One is equipped with a double bed and a closet, while the other has two single beds and two closets. Modern interior, equipped with new, attractive furniture of bright, pastel shades of colors. Ideal for a couple or a smaller family.
