An apartment with functional layout is housed on the fourth floor of pre war building. It is situated in the quiet part of the wider city center, close to Botanical garden and at fifteen minutes walking distance from the very city center. Building is nicely maintained with excellent entrance and an elevator. Small hallway leads to anteroom and all rooms of the apartment. Living room and bedroom are similar size and turned towards the street. Bathroom is with bathtub, while kitchen is fully equipped and leads to a small skylight. The apartment is furnished in minimalistic manner, but also could be without furniture if needed. Suitable for comfortable life of a couple or a single person, bur functional layout offers possibility for business activity as well.
