This exclusive apartment is housed within the most modern building complex in Belgrade, called Belgrade waterfront. Complex is still under construction, while the project is managed according to highest architectural standards. The apartment is placed in one of the towers surrounded by greenery and parks. It is housed on the fourth floor overlooking the river. It consists of a small entrance hallway, which leads into the living room connected to kitchen and dining area. This room exits to a terrace. The yard/terrace is partially covered, it occupies about 50m², consists of paved area, as well as of area covered by lawn. From the living room, one can access a smaller bedroom equipped with a double bed. In the second part of the apartment there is a small hallway from which the master bedroom and the guest bathroom with the shower could be accessed. The master bedroom features a dressing room and a private bathroom with a bathtub. The apartment is equipped with new furniture of excellent quality. Throughout the building apartments are equipped with central air conditioning and heating per consumption. Within the complex there are garages, as well as sports facilities, such as swimming pool and gym. On the ground floor of the building there is a lobby, with the reception desk. The complex is designed so that customer care is raised to the highest level, and the receptionists are at the service for a large number of services, or assistance. This prestigious complex is intended for clients, with high standards of modern life.
