Apartment housed in a high quality newer building, located in the wider city center. In the neighborhood there are numerous embassies, stores, cafes and restaurants, as well as Manjez park, which makes this location very convenient. Building has a security service, video surveillance and a garage. The apartment is spacious, has functional structure and it is two side oriented. It consists of an open living room, connected to dining area and a kitchen which is slightly separated by a partition wall, but facing the dining area. From there one can exit a terrace, facing toward the greenery. Sleeping block could be reached through an entrance hallway, where the restroom is. Long hallway connects two large bedrooms and a bathroom with a bathtub. Modern and bright interior, with air conditioning. Currently without furniture, but could be fully furnished if needed. Suitable for life of a modern person. Covered parking space is available within the building.
