Renovated apartment located in the very center of the city, within walking distance from pedestrian zone, Kalemegdan park, as well as other attractive content. Excellent position for everyone who needs to be in center of social events. The apartment is housed on high ground floor of a prewar building with an elevator. It consists of entrance hallway leading into the rooms. A fully equipped kitchen with a kitchen bar is connected to dining area. Second room is empty and facing toward the building's yard. Bathroom has a shower cabin. The apartment is attractive, has suspended ceiling and interesting lighting. Suitable for office space, for quiet business activities, as well as for residential purposes.
