Business premise is housed on the fifth floor of older business building in Šumice settlement, at very busy location. The highway and large traffic lines are easily reachable. The building is situated within business complex with garage at -1 level where parking spaces could be rented. Buildings lobby is completely renovated with new lifts and security guard 24/7. Business premise occupies the whole floor. Along the hallway thirteen offices are placed, as well as two toilets - for ladies and gentlemen. The space is for rent without furniture. The space is equipped with central city heating and optical cord. Suitable for variety of business activities.
