A house is located in a very quiet part of Zvezdara, on the edge of the forest next to the bus roundabout, at only ten minutes driving distance from Bogoslovija, the Bulevar kralja Aleksandrar and Cvetko green-market. It spreads over a plot of 8 acres and is surrounded on one side by the forest, and on the other side with houses overlooking the Danube and Pancevo. Large front yard is cascade organized with a nicely decorated approach, large gazebo and built barbecue. Small fences, a combination of wood and brick make this spacious yard a very romantic ambience. The house is small with an apartment on the ground floor and a studio apartment of 30 m² in the basement that exits to the back of the yard. On the ground floor there is a living room, two rooms, a bathroom with a shower cabin and a kitchen with a pantry. The whole house is well maintained, with quality parquet, carpentry and ceramics. It has a boiler room with a pellet heating boiler. One vehicle can be parked in the yard. The house is suitable for life, but it can also be used for business purposes.
