Excellent apartment located in a relatively new block of buildings, in near vicinity of Arena. Very attractive position, with excellent connection to city center, as well as other parts of New Belgrade. Building is about ten years old, nicely maintained and has an elevator. The apartment is two side oriented and positioned in the middle of the block, so it is not facing the street. Quiet and tucked in position. The apartment consists of an entrance hallway which leads into a spacious living room, with a large open kitchen and dining area, and a restroom. Living room exits to a nice terrace, and it is directly connected to one more room. Sleeping block is separated and consists of three bedrooms, two of which are children's rooms, and one main bedroom with a built in closet and its terrace. The apartment is renovated, has interesting lighting, it is equipped with high quality appliances and elements, as well as modern furnishings. Beautiful interior, in which bright shades of colors are dominant. The apartment has a garage space in neighboring building. Property suitable for a family.
