An excellent, new apartment situated within new business and residential complex in Vracar area. This modern complex provide variety of amenities, planned by the project such as greenery, walking paths and playgrounds for children. The location is at only few minutes driving distance from highway inclusion, and in near vicinity of important facilities and main city roads. Exterior made of facade bricks and contemporary materials is characteristic. The building is equipped with security service, video surveillance and two elevators. The apartment is housed on the fifth floor. It consists of living room interconnected with kitchen and counter, bedroom with king size bed and bathroom with shower cabin. Terrace is accessible from both rooms. High quality parquet, interesting halogen lighting, and modern shower cabin in the bathroom are characteristic of this apartment. Furniture is modern as well, beautifully incorporated in the interior. The garage space could be rented for additional price.
